

Document Size (8.5" x 11")

Bleed Extends (.125") Beyond Image

INCORRECT

This represents an image that has insufficient Bleed Margin. This could have an impact on your final product. Paper or unintended background image could show on the edge of your product.

CORRECT

This represents an image that has sufficient Bleed Margin. The image extends a full .125" beyond the final trim edge. This will allow for Cutter Draw or any slight variations in the cutting process.
